**Date:** Thu, 23 Jan 2025 09:06:44 +0000

**From:** Regulation <[regulation@workcover.wa.gov.au](mailto:regulation@workcover.wa.gov.au)>

Good afternoon,

As part of the implementation of the *Workers Compensation and Injury Management Act 2023* on 1 July 2024, many forms and processes changed in key areas for WorkCover WA and stakeholders.

With over 6-months having elapsed since the Act was implemented it is timely to consider how key forms and processes are operating and respond to any concerns or issues.

As a basis for consultation WorkCover WA has reviewed a number of key forms and processes and, in some areas, is proposing refinements.

WorkCover WA is seeking feedback on the proposals contained in the attached consultation paper and on any other aspect of the processes and approved forms implemented with the new Act on 1 July 2024.

The proposals are intended to facilitate public comment and do not represent the final position of WorkCover WA, the Minister or Government.

Please note the scope for this review includes key forms and processes authorised under CEO approved forms and Regulations.

The scope of this review does not extend to potential amendments to the Act, or other WorkCover WA administrative instruments. Any review or required amendments to those instruments will be progressed separately.

WorkCover WA invites written submissions by **28 February 2025** which may be provided by email to:

Manager Policy and Legislative Services
