Dear Manager Policy and Legislative Services

**RE: Workers Compensation and Injury Management Act 2023 Act Implementation Review
Consultation Paper**

The Community and Public Sector Union/Civil Service Association (CPSU/CSA) is the trade union for over 40,000 public sector workers across Western Australia. Our membership includes significant diversity of occupations, including Park Rangers, Youth Custodial Officers, Child Protection Workers, WorkSafe Officers, Dental Health Practitioners and many more.

The CPSU/CSA has provided its input on the paper to UnionsWA, who have incorporated our feedback into their submission to this consultation. The CPSU/CSA gives the full weight of its support to the submission provided by UnionsWA, and the opinions and recommendations of UnionsWA in their submission are also the opinions and recommendations of the CPSU/CSA.

Should the Commission require any further clarification or wish to arrange further consultation with the CPSU/CSA, please do not hesitate to reach out to our Media and Stakeholder Engagement Officer, Alex Wallace, Alex.Wallace@cpsuca.org

The union consents to this letter of support for the UnionsWA submission being published on the Commission's website in full, and thanks the Commission and UnionsWA for their time and effort on the draft codes of practice.

In unity,

Melanie Bray
Branch/General Secretary
